## MOOMINVALLEY - PARK -

### EXPERIENCE

**KOKEMUS**  
Kokemus, meaning "experience" in Finnish, is an exhibition facility where you can learn more about the Moomin stories through various exhibitions, such as an introduction of the author Tove Jansson, the world of the Moomin novels and picture books and even an 8-meter-tall diorama. The best thing is that you can enjoy them all without worrying about the weather!

**3F** Start from here!  
Interactive exhibition  
Indoor playground

**The Book About Moomin, Mymble and Little My**  
This colourful area is based on Tove's first picture book. The Book About Moomin, Mymble and Little My. Enjoy the stories as if you've stepped into the picture books themselves.  
**Playground of Moominvalley**  
The playground equipment incorporates illustrations and colours from the Moomin books, creating a delightful Nordic setting for children to have fun and play in.

**3F ▶ 2F**  
**Moominvalley diorama**  
The large scale diorama opens in the middle of spiral staircase and reveals the wonderfully detailed Moominvalley. The lighting has four different modes that change every 15 minutes: comet / sunset / winter / nightless night. The modes reset at every even hour.  
**Mural of Aurora Children's hospital**  
Along the walls of the spiral staircase is a reproduction of a mural painted by Tove Jansson for the Aurora Children's Hospital in Helsinki, Finland.

Kids' space  
Library cafe

**Permanent exhibition "Moominvalley Gallery"**  
The exhibition introduces the charming language of the Moomin stories accompanied by illustrations from the books, picture books and comics. You can also find some previously unpublished poetry by Tove!  
**Special exhibition "Living Happily in Moominvalley"**  
**Tove on film "Memory of Tove" theatre**  
A recreation of the summerhouse on an island where Tove spent many of her summers.

**1F**  
**Welcome art and greeting video**  
The white Moomin statue in front of Kokemus is an homage to the statue at the Moomin museum in Finland. The vines on the corridor walls with hidden characters in the leaves guide you to a wooden Tove statue gently hugging the Moomin characters. On the left, the reproductions of Tove's frescoes represent Tove's career as a painter. Don't forget to watch the greeting video by Tove's niece Sophia before stepping into the elevator and heading to the world of the Moomin stories on the 3rd floor.
